Dear Dr. McAllister:

I am pleased to acknowledge and to accept with thanks the check from The Council for Tobacco Research for $3,000.00 in support of the FASEB Summer Research Conference entitled Protein Kinases which will be held August 4 - 9, 1985. The Federation and the scientists who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds, as you requested, will be used by the Chairman of the conference, Dr. James Niedel, to defray the travel and registration expenses for some of the speakers outside of the industrial sector.

We extend an invitation to the scientists of your staff who are interested in attending the Protein Kinases conference or any of the other nine conferences that will be held under our auspices this summer in Saxtons River, Vermont. Enclosed is the final schedule and complete program for the FASEB Summer Research Conferences as it appeared in the February, 1985 FEDERATION PROCEEDINGS.

Please express to the appropriate officials my thanks and appreciation for your generous support of this conference. I hope that several representatives of The Council for Tobacco Research will be able to join us in Vermont this summer.

Sincerely,

Robert W. Krauss
